

## BRIEFS

### **West Prospect closed Tuesday for ribbon-cutting**

West Prospect Street will be closed from 6-9 p.m. Tuesday, July 15, for a ribbon-cutting ceremony hosted by the Waldwick Community Alliance.

Police said detour signs would be posted for residents and commuters to follow Frederick Street, West Nightingale Place and Walter Hammond Street from Franklin Turnpike. All detours access West Prospect Street, Harrison Avenue and Hewson Avenue.

Businesses on West Prospect will run as normal and parking will be available, police said.

The two-hour ceremony commemorates the completion of Phase I of the downtown revitalization project. Members of the alliance and the mayor, along with Borough Council members, will discuss the project and answer questions; snacks and refreshments will be available. Information about the train station's restoration will also be available, along with photos of the downtown area before its restoration.
